The Autodesk Education team hereby congratulates

balaji kumar

for successfully completing the Autodesk Building Performance Analysis Certificate.

The recipient is now better prepared to apply building science concepts in the creation of high-performance buildings and put that knowledge into practice with Autodesk software.

BPAC v3.2 - May 2017

TOPICS: Intro to BPAC, Climate, Energy Literacy
Solar Measurements, Airflow, Daylighting
Whole Building Energy Analysis

SOFTWARE: Revit, FormIt, Insight, Flow Design
